About Me

I am Samkeliso A. Jwara, a motivated BSc - IT graduate (2022) with a specialization in systems development. Alongside my academic pursuits, I co-founded 'IT Worx,' a web designing company, where I gained valuable insights into project management, teamwork, and client interactions. This experience, combined with my strong proficiency in programming languages, fuels my determination to contribute effectively to a forward-thinking organization that values innovation and excellence.

Experience

February 2022 - January 2023

- Engaged in the ProudAfrique Human Capital Working Student Programme, securing a bursary for my 2022 Richfield Degree.
- Participated in the Yes4Youth Programme

February 2023 - Present

Future Performance Training
